

Certification

Become A 240 Field Supervisor

Details

- ▶ This is not a full-time position (contract work); field supervisor can take as few or as many candidates as his/her schedule will allow!
- ▶ Will provide coaching and ongoing support through formal observations (using the ttest model)
- ▶ Pays \$1275/intern; \$675/clinical teacher
- ▶ Mileage is reimbursed in excess of 60 miles one way at the state mileage rate

Qualifications

- ▶ Requires a bachelor's degree or higher in education (preferred: master's or higher; for bachelor's only, there must be significant teaching experience and up-to-date professional development and certification)
- ▶ Requires three years of teaching and/or administrative experience and current teaching certification
- ▶ An accomplished educator as shown by student learning
- ▶ Will require current ttest appraiser certification or full-day ttest observation/coaching training for field supervisors. (we can provide this formal training, if needed.)
