

Become A 240 Field Supervisor

Details

- ▶ This is a **contract position** (not a full-time position). Field Supervisors can take on as few or many candidates as their schedule allows.
- ▶ Field Supervisors will **provide coaching and ongoing support** to 240 Cert teacher candidates through formal observations using the TTESS Model.
- ▶ **Compensation:** \$1275 per intern candidate. \$675 per clinical teacher
- ▶ **Mileage is reimbursed** when travel is over 60 miles one way at the state mileage rate.

Qualifications

- ▶ **Masters or higher is preferred.**
For Bachelor only, there must be significant teaching experience and up-to-date professional development and certification.
- ▶ **3 years of teaching and/or administrative experience** along with a current teaching certification.
- ▶ An **accomplished educator** as shown by student learning.
- ▶ **Current TTESS Appraiser certification** is required.
We can provide the training, if needed, in the form of a full-day TTESS observation and coaching training for Field Supervisors.
